ORDER NOMENCLATURE

Throughout our catalog we have indicated, above the listings, samples of order nomenclature. By adopting this procedure our customers can reduce the cost of paper work and facilitate order

entry for improved service. Non-standard or non-stock items should be fully described on orders accompanied by prints or drawings where possible.

ITEM CODE NUMBERS

For Electronic Data Processing purposes, Williams has assigned ITEM CODE numbers to most of the items in this Price List.

ITEM CODE numbers not shown will be supplied on request.
